Hi Lauren,

Here are the metrics from our emails via our GovD platform and the website. Because we linked to DRO's website, I recommend also including DRO page views.

As Lacey mentioned, we had additional exposure including presentation about the feedback process and listening sessions to the Tribal Directors Convening (7/2) Child Welfare Advisory (7/24), and Governor's Foster Care Advisory (7/15) Councils.

Let me know if you have additional questions.

Lindsay

Aprille and Lindsay:

Thank you for sharing this info for the *Wyatt* motion for final approval of the settlement that we are jointly preparing with the plaintiffs.

I've added Tom Stenson from DRO and Anastasia Benedetto from ABC to this chain because they are working on the motion for final approval this week while Emily Cooper is out.

Another question for the motion is **whether you can gather any information about how many times the settlement agreement was viewed on the oregon.gov site?** Similarly, if the settlement agreement, class
